Volunteers Respond

In response to last months President's Letter, which was published right here in the newsletter, many generous people responded by offering their time to serve your Community. The Board of Directors would like to Thank those that have volunteered and request that any other residents that have concerns or ideas relating to the Community, volunteer. The three committees that have been formed to serve the Community: Landscaping, Architectural & Social, offer every resident a chance to actively improve the Community in the manner that best fits them.

Whether you have a lot of time or just a little, you can have a positive impact on your Community and help to make Forster Ranch an even more beautiful and friendly place to live.

To volunteer, please email Wayne Schramm at FRWayne@cox.net or call Robin at (949) 498-1129.

Your Community has a web site that can assist you in many ways. You can read this newsletter on the site and can also download forms that you may need to submit to the association. You can find answers to commonly asked questions and even contact management regarding issues that need attention. This is an excellent resource because it is open 24 hours a day and 365 days a year.

Election 2004

Hopefully you are already aware that the national election is right around the corner. Voter participation is vital for our government to work effectively so make sure that on November 2nd you find some time to make it to the polls. Voting gives you the chance to not only elect those to office that you feel are most qualified but also to pass or deny initiatives that directly affect our state.

Politicians study and react to voter trends so even if you feel that your vote does not really count, be assured that somewhere a politician who wants your vote is listening.
